Welcome to University of Crete

ACCOMMODATION in Rethymno City

February is a low season month for Rethymno and many hotels and AirBnB apartments may be closed at that period. We have arranged the following hotels for your accommodation, located in the center of Rethymno. You can book your accommodation in one of the listed hotels, by sending an email with the **Code INGENIUM**.

Participants in the events (students, mentors, staff) are asked to make their own accommodation arrangements.

Airbnb

To stay in Rethymno you can also choose **Airbnb** (<https://www.airbnb.gr/>).

You will find rooms and houses that can accommodate from a single person to a group of guests. We recommend that you choose accommodation close to the city centre and avoid the outskirts of Rethymno.

How to get to Rethymno

BY FERRY

There are no direct ferries to Rethymno, therefore you need to reach either Heraklion or Chania first.

These destinations are easily reached by ferry from Athens (Piraeus), as there are almost daily departures from the port of Piraeus all year round.

Please note that the scheduled routes for February 2024 may be available from December 2023.

BY PLANE

The island of Crete has two main airports, Nikos Kazantzakis Airport at Heraklion (HER) and Daskalogiannis Airport at Chania (CHQ) that serve international and national flights, and are the most convenient ones for travel to/from Rethymno.

FOR HERAKLION

The ferry companies that serve Heraklion Port are Minoan Lines, ANEK Lines, and Blue Star Ferries.

On arrival to Heraklion port you can reach Rethymno:

By bus Heraklion KTEL buses: The Central Bus Station is 10min walk from the Heraklion Port and there are frequent services to Rethymno (Route from port to Central Bus Station).

By Taxi: Taxis are available at the port but you can book your taxi services in advance through local taxi service companies (Heraklion Taxi, Crete Taxi).

FOR CHANIA

The ferry companies that serve Chania (Souda port) are ANEK Lines, and Blue Star Ferries.

On arrival to Souda port you can reach Rethymno:

By bus Chania KTEL buses: There are direct services from the Souda port to Rethymno at certain times (Bus Routes). You can also reach the Central Bus Station in Chania (Bus Routes from Souda port to Chania Central Bus Station) from where there are frequent services to Rethymno.

By Taxi: Taxis are available at the Souda port but you can book your taxi services in advance through local taxi service companies (Crete Taxi, Chania Taxi).

FOR HERAKLION

Nikos Kazantzakis Airport (HER): On arrival at Heraklion airport you can reach Rethymno:

By bus Heraklion KTEL buses: To reach the Central Bus Station from the Nikos Kazantzakis Airport you need to take the City Bus (line 6).

By Taxi: Taxis are available at the Nikos Kazantzakis airport but you can book your taxi services in advance through local taxi service companies (Heraklion Taxi, Crete Taxi).

FOR CHANIA

Daskalogiannis Airport at Chania (CHQ):

By bus Chania KTEL buses: There are direct services from the Daskalogiannis Airport to Rethymno at certain times (Bus Routes). You can also reach the Central Bus Station in Chania (Bus Routes from Daskalogiannis Airport to Chania Central Bus Station) from where there are frequent services to Rethymno.

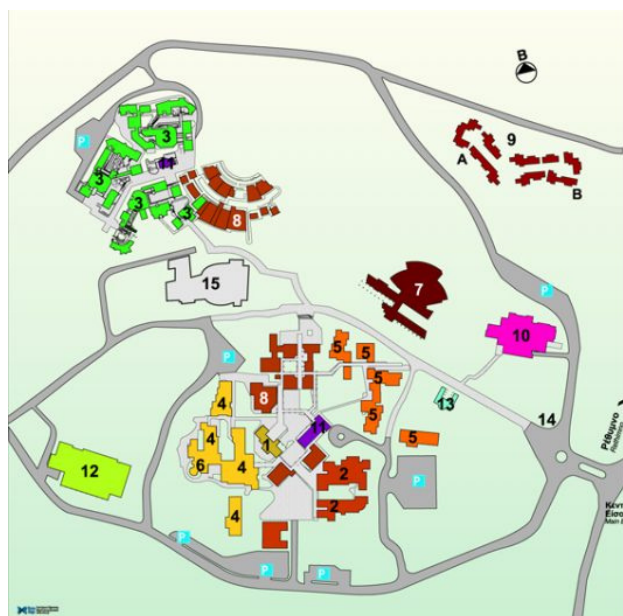

By Taxi: Taxis are available at the Daskalogiannis airport but you can book your taxi services in advance through local taxi service companies (Crete Taxi, Chania Taxi).
